

Online Conference

Quality Education and Welfare for Children in Vulnerable Life Situations

UPDATE: 21 May 2026, 7.50 CET

The following presentations have been cancelled from the programme:

- **Session 1A:** Research on Adolescents' Resilience under Conditions of Uncertainty, *Olesia Prokofieva & Olha Prokofieva*
- **Session 1B:** Early Addiction Prevention for Children Attending Special Schools for Children with Learning Difficulties, *Birgit H. Spohn*
- **Session 2A:** Radical Hope in Ukrainian War-Affected Schools, *Kateryna Bondar et al.*
- **Session 2A:** Digital Inclusion as a Pillar of Educational Resilience: Overcoming Energy and Infrastructure Challenges in Ukraine, *Stanislav Dushkin*

As a result, the affected sessions will have more time available to discuss the presentations already delivered. I apologise to those who had hoped to attend the cancelled presentations.
